Arrive at 5.30. got
to work on the
boat at 7 o'clock
had to bail it out

before I could start
up it.
Art & I tried to
get that reverse glas
but but it would not
come.
I broke a set
screw off that connect
the propeller shaft
to the crank shaft.
it took all morning
to drill it out.
I borrowed
Wilsons boat to go to
Jupiter in, it ran
out of Gasoline just
as I got thru the bri
dge So Mrs Boyle tow
ed me in to dock
then I got 2 gals of gas
& put in.

I took 2 dressed chickens over tonight to Sweeney.

Brought 3 wheel barrows & the hose home tonight also 5 sacks of cement.

Went to practice tonight after practice Car took us for a ride & then up to his house for some cake & sandwiches

& then back to
for our boat. We took
Emily & Harry home.
When we got
home Mom & Pop were
both sitting up wait-
ing for, they thought
it somebody had
stole the watches.
But Ethel had only
put them away.

Friday Nov, 12-15,
Up at 5. cleaned
up the boat before
breckfast.
Left here at
6.40 Stopped & got Dear
Old Sweeney. Stopped
at Jupiter for Gas & Pop
& got under way at 7.35
Stopped for some Cocoa

plumbs, then Pop got the rope tangled up on the steering wheel at Property Farms & then we had to stop. Just before we got to the Lake the pin came out of the exaust valve so we had to repair that.

Pop caught 2 fish going down & 1 comeing back tonight, I sure did enjoy myself & I know Sweeney did.

Saturday Nov 13-15.

Got to work at 7.30. put in 8 hrs, painted North end of gable of house.

Art towed

me home.

Got up at 6.20 fooled arround & then chopped some wood then went to Jupiter for Mail & Tobacco.

Stopped at Sweeneys for a while, then came home & cooked the potatoes.

Sweeney, Judy & Anna came over at 1,45 & I took them up the creek. We sure did have a good time.

Comeing back

we stopped home,
I at fed the ducks &
I fed the chickens,
Then we all
went over to Sweeney
& had supper after
supper Sweeney read
us a nice story.
I got home at
9 oclock,

Monday Nov 15-15
Arrose at 5 A.M
& it was darker
than Sam Hill. I
took the row boat
down & did the flying
switch act, got into
the row boat while
the launch was
going,
I trained all

day, Dr Aisher sh
owed up at 10.20 &
started to raise it
because there was
not as much pain
ting done as he th
ought ought to be
done. If Dr starts
any of that tomo
rrow I'm going to
quit.

I rowed to Ju
piters got my sac
hage of shoes & parts
for flash light, got
$2 from Kelley to get
them out.

I meet Art
~~just~~ at the Island
& he started to tow
me home & then
he thought ~~to~~ of

having to go back
for Pops glasses so
Drowed home.
I stopped
I had a talk with
Pat & Sweeney on the
way home.

Tuesday Nov 16 '21
It was after
5 when I awoke
this A.M. & breakfast
was ready of course
I was the last one.
Pup got soar
because we did not
leave as soon as
he wanted.
Both Sweeney
& Pat waved this
am going down.

I painted under the poarch roof & sides all day today.

We all got wet again tonight.

Wednesday Nov 17th, 1915.

It rained so that I did not go to work.

It cleared up in P.M so we went to Jup there was nobody on the job. so pop gave me 75 cement sacks & I took Jessie & Clayton down to the Beach. When we got ready to go I started the engine up & she started

like she was going to run good. but she broke down & I thought & that the ua ust valve was broken or split, so I got "Bob Hanah" to row me to Jupiter so I could fix it.

I took the engine apart & fixed the valve. I think it was only carbon under the seat & then I had to fix the spark.

But, I finely got home all ok.

Thursday Nov 18-15

It was raining awfuly hard this

morning so I decided not to go over to Dr Leicher as the place would be all wet.

So I went to Jupiter with Pop & worked on the slow.

We did not have any practice tonight as we could not find "Harry" or "Twenty" so we went over to the wireless station. Mrs Faid & Ellis danced. Then we came back & sat on the school house steps, we got home at 10.15.

We found the Professor's boat broken down so

We started to pow him home when he got started so we ran side by each all of the way home

Friday Nov 19-15.
worked at Sperries all day 7 hrs.
I took Pat & Judy over to the beach & we got the wood started the fire.
We had a big pile there I counted some 40 odd people,
Pat & Sweeney came back with Henry, I hugged Alice & her Ma.
Sat. Nov 20-15.
7 hrs at Sperries on west side of house.

went over to Sweeneys
Art & I we had quite a
nice time we got
back at 12. A.M. Pat &
Art played cards while
Sweeney & I took a
walk.

Sundays Dec 24-18.

I pressed my suit
& clothes while the folks
were at S.S. We went
down to Du Bois in
afternoon had quite a
nice time.

I got off at
Sweeneys coming home
Pat met me at the
gate. Fessor Roberts
was up to sup.

Neff & Carl came
over after supper Pat
after they left.
Fessor & I had a game

of Rhummy & then Sweeney came & joined us, Fessor asked us out for a boatride but he could not get the engine started & when he did we took him on to Jupiter & we walked back (Pat, Sweeney & I) Sweeney got awfully mad at me, but we mad up before I left.

Mon, Nov 2 15

Got to work early today. Sweeney waved to me this a.m going down.

When I was painting Em came over & asked me

I see mrs L. I said
yes so she gave
me a pkg for C.P.L.
I hopped off in the
row boat as we went
by. S & J. were waiting
for me on the dock.
I stopped for a few
minutes & then came
home. I am now
going to study my
part for the play.

Tuesday Nov. 23-15.
Worked all day at
Dr Aicher (or Sperry)
Had practice to
night. Sweeney was
the beach & she got
off & came right up
from the car inst
ead of going home

It was sure nice
of her to do that.
We got back home
at 10.15 P.M.
Wed. Nov. 24th 15.
Got to work early
got in light hours.
I went over
to Sweeneys after
supper, she read a
story to us (or several
nice stories) & than
I play some on my
Harmonica much to
Pat & Judie delight.
I got back to
Sweeney & I did some
tonight, it was verry
nice too.
Thursday Nov 25th 15
Today is thanks

given day. all of the stores were closed up today.

We had a fine party at the Radio Station tonight & I had a dance with Pat & Sweeney & a Fox trot. We got back at 1.30 P.M. We stopped for a while at the dock was & I told them of some of the experience that I had had.

Friday Nov 26-15

Got on the job at 6.50. Made out list of material for Dr. Archer for bath room. Pat waved this a.m. & P.M. Did not

See Sweeney at all.

Took Rooster over for Pat Birthday Gift.

One year ago today I left Canama.

Sat. Nov 27-15.

Painted 8 hrs at Sperryes

I rowed down this A.M as Mom wanted to go to Jupiter

I rowed back to Bowers dock & came home by the launch.

I went over to Sweeneys to take her to Bauers but her Father was there so I had to wait untill he went.

We then went over to Nells but they had gone so we walked to Jupiter.

We had a fine time there we played cards & then had a lunch.

I got home at 12-15.

Sunday Nov 28-15

Arrose at 6.30 had breckfast & then I bailed out the Cro & Corral then Pop & I took a walk over the fields.

We got back just before Mon & the rest went to S.S.

I cut some wood & then started the fire & cooked

the potatoes, then I took a bath.

After dinner I went over to Pat & Sweeney.

If Pat & I swam in the river the water started to get cold just before we reached the shore.

We had a nice supper Pat & I washed the dishes & then Sweeney read untill she got sleepy & then Pat popped a shot at it. We left early as both Pat & Sweeney were already tired

Monday Nov 29-15
Put in 8 hrs @ Dr.
Went to practic stop
ped for Sweeney but
she was not in so
we found her @ Jupiter
she had been up to
Hobo sound.

Tuesday Nov 30 15
Last day of Nov.
Put in 8 hrs at Dr.
It was awfully
cold on the job today.
Went over to
Sweeneys after supper
and read some out
of the book, Sweeney
was darning stock
ings, Sweeney has a
cold too. She was awf-
ully tired tonight

Wednesday Dec 1st 10

I was awfuly sick this Morning on the job. Put in 6 hrs.

Went over to Sweeney, Pat finished reading the book, then Sweeney & I went over to Henrices for a while we went over to Herberts but they were all asleep. I had a nice Piece of pie (Garsley Chin) it was pumpkin.

Thursday Dec -2-15

I rowed over this A.M Pop took some potatoes to the dock to be shipped to Key West.

I only put in

6 Hrs to day as I went
over to the wireless
station with Pop & took
a look at the wind
mill.

We had pra-
ctic tonight Mrs
Sweeney ~~went~~ as
absent.

Friday Dec 2-15
arrose at 5.15 this
A.M. had breckfast
& then went to the
bank, came back
& changed my cloth-
es & went to Jupiter
by boat.

~~Ess~~ Sweeney
& Pat waved to me
as I was going down
~~tonight~~ this A.M.

I saw Karl &
Nell also Mrs & Mrs

Bauers at the station.

I got in Miami at 11 o'clock & I started to hunt up the Inspectors & it was 2.15 before found them.
