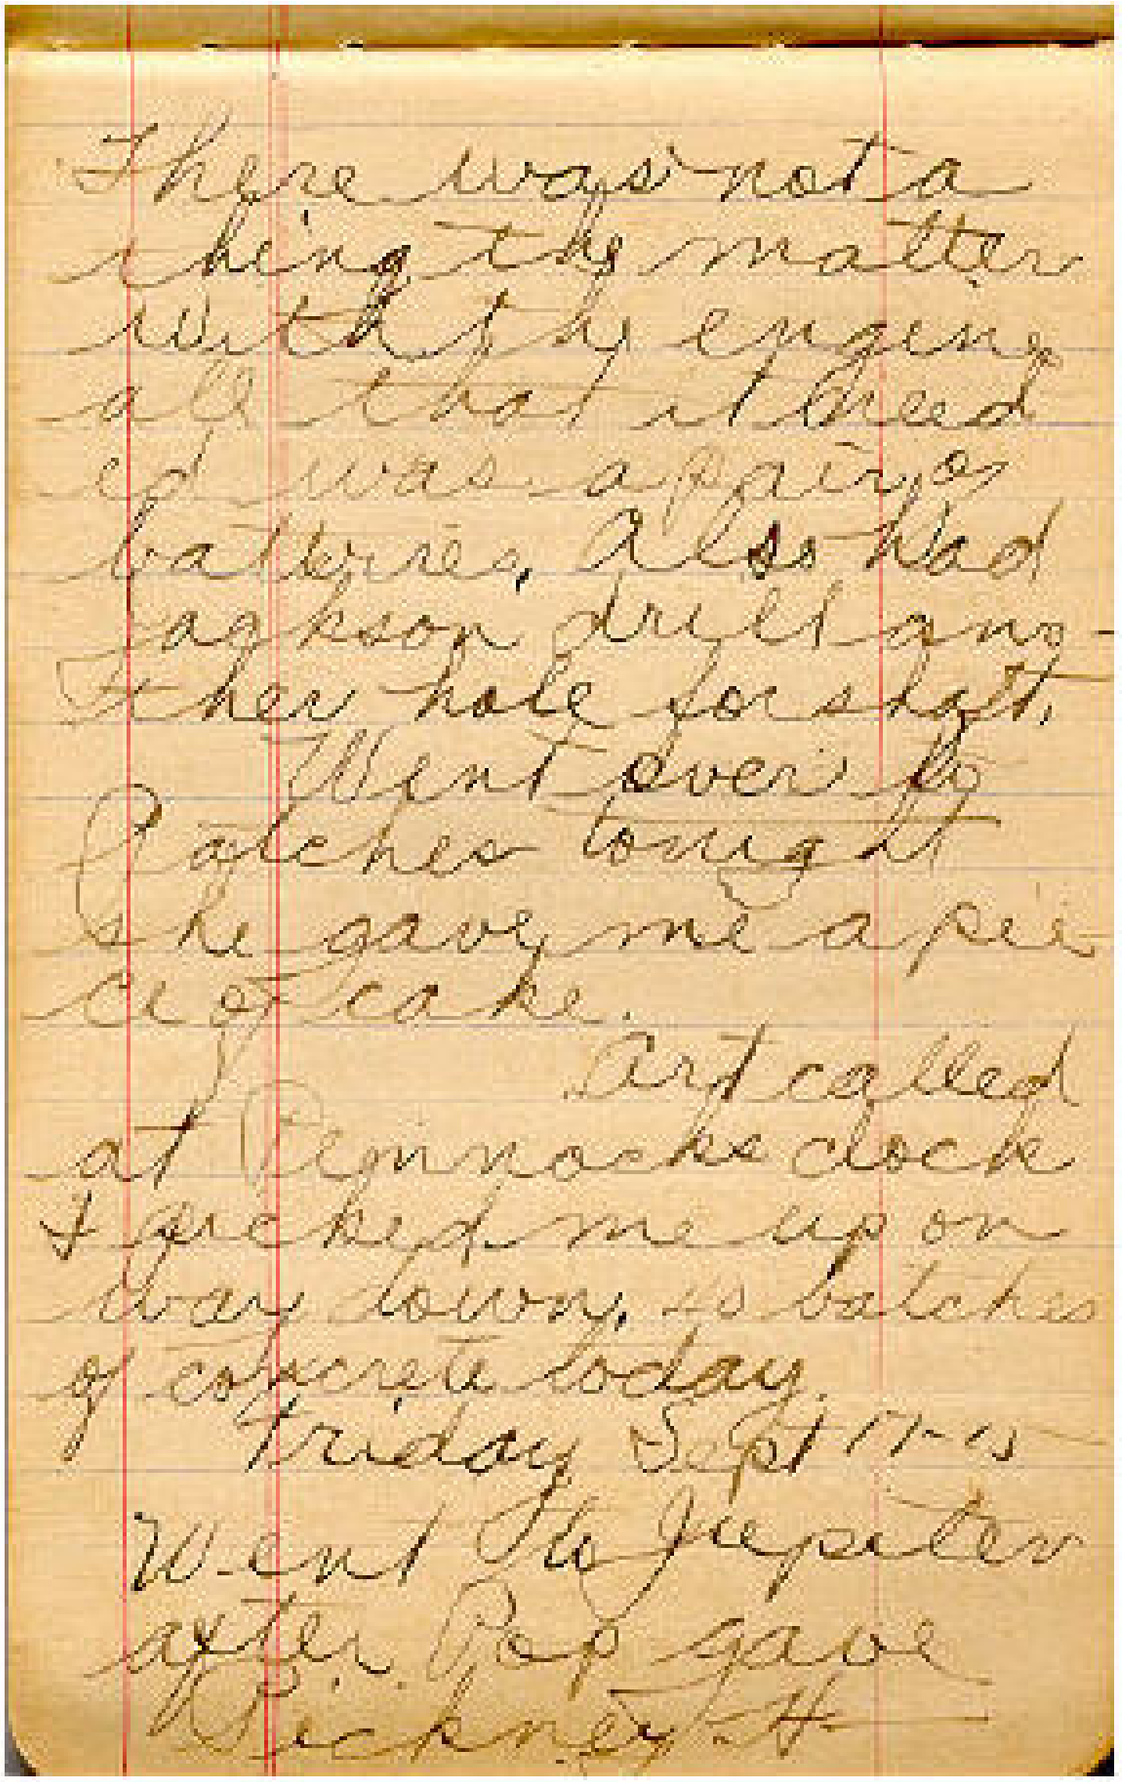
noon but we worked
just the same.
We had to walk
back home tonight.
Art took the
boat to the end of
the creek & got Mr.
Wilson to towe him
down to Jackson's
so Jackson can go
to work on it in
the morning.
Thursday, Sept 16-15
Walked in this
morning. Higsby
picked us up
about 1/2 way down.
Pop went to
P. Beach on 724 train
& got back @ 9.20 P.M



Page 28

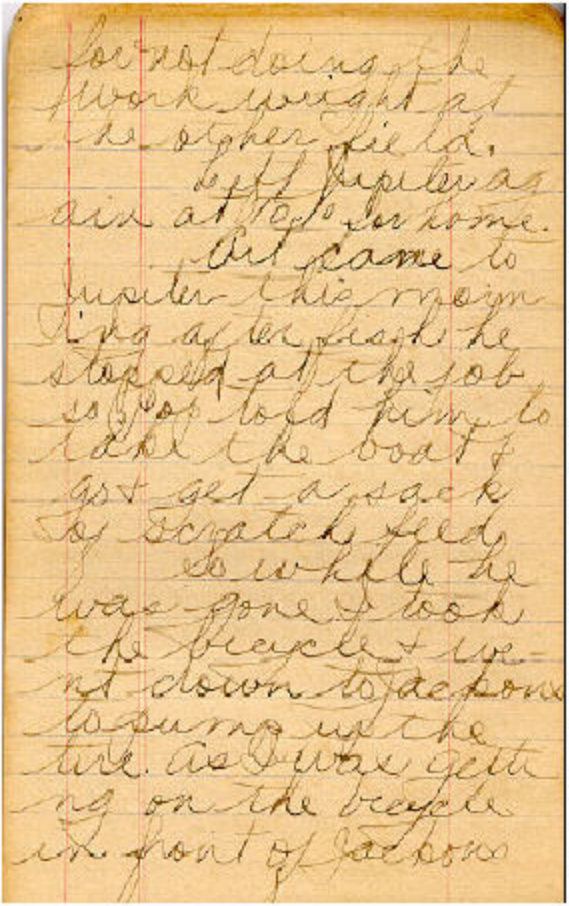
There was not a thing the matter with the engine All that it needed was a pair of batteries. Also had Jackson drill another hole for shaft.

Went over to Patches' tonight she gave me a piece of cake.

Art called at Pennocks dock & picked me up on way down. 40 batches of concrete today.

Friday Sept 17-15

Went to Jupiter after Pop gave Pickney H



Page 29

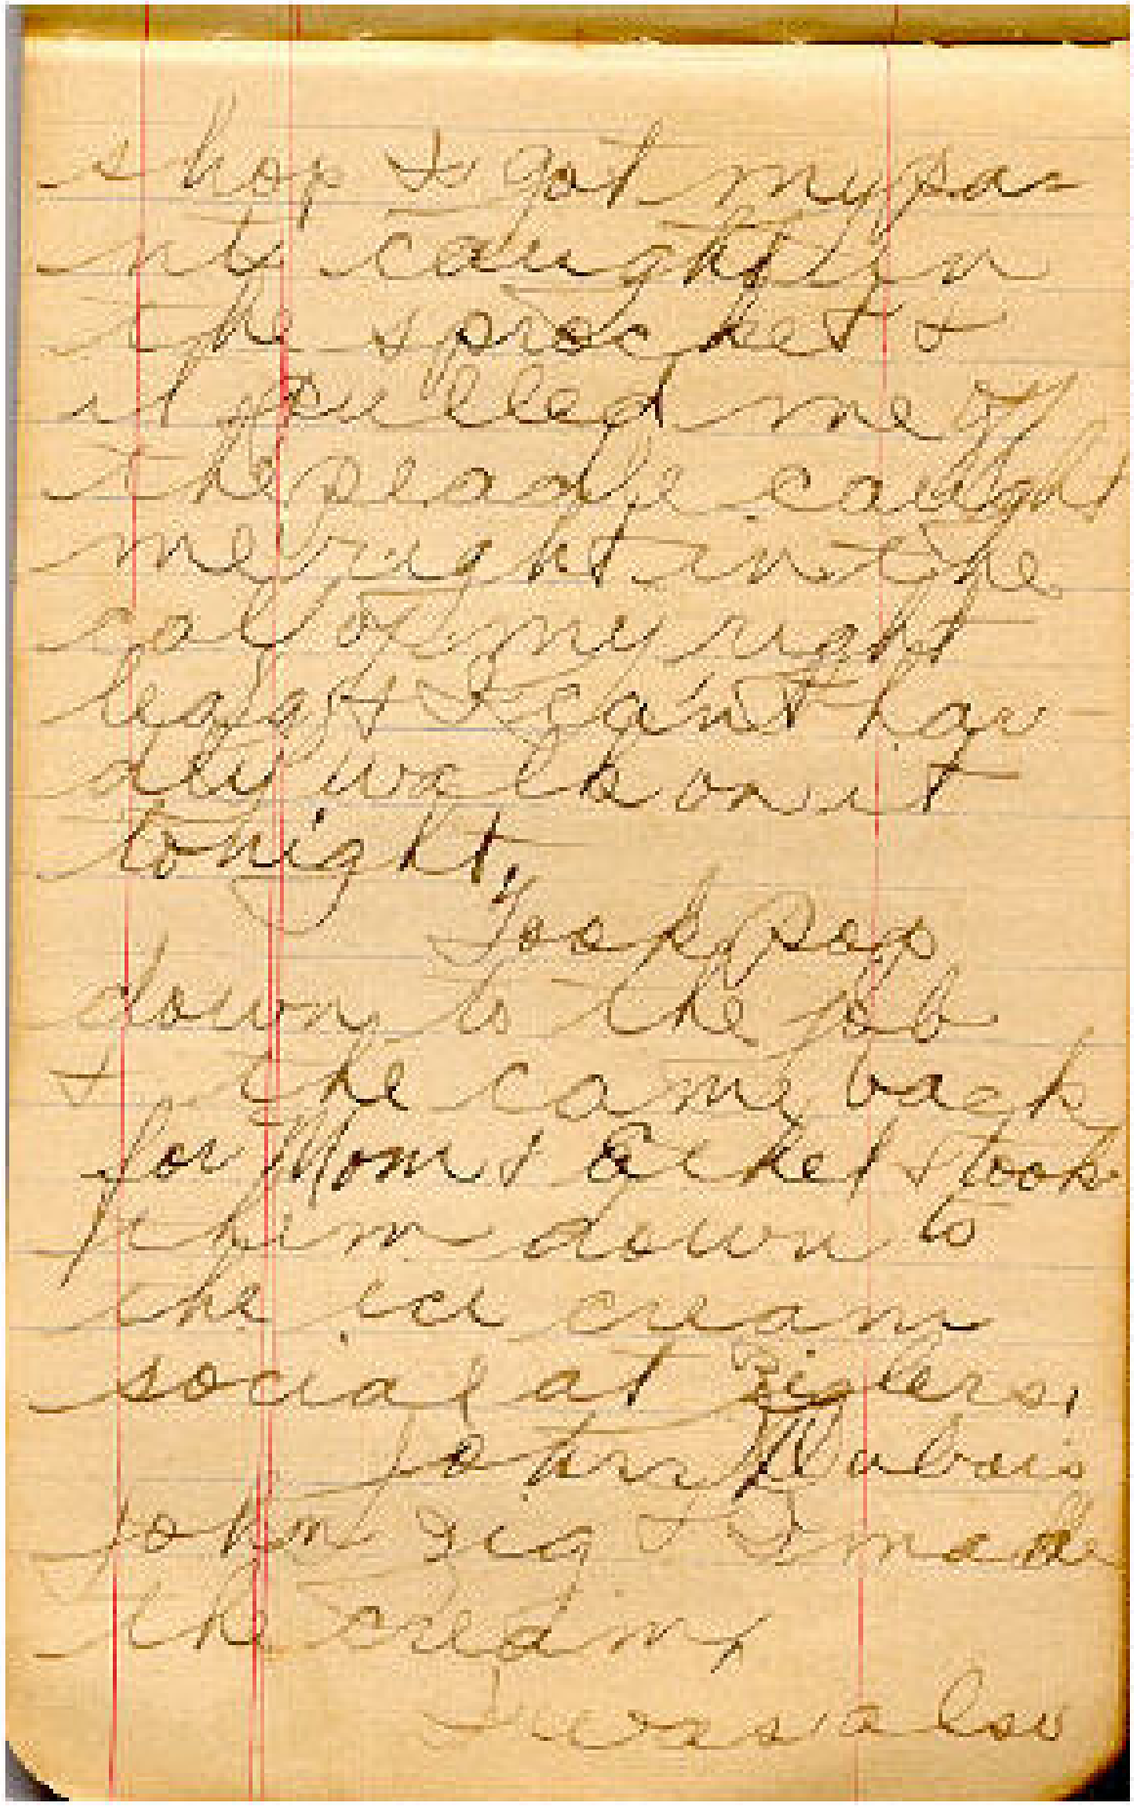
for not doing the work wright at the other field.

Left Jupiter again at 10.10 for home.

Art came to Jupiter this morning after fish he stopped at the job so Pop told him to take the boat & go & get a sack of scratch feed.

So while he was gone I took the bicycle & went down to Jackson's to pump up the tire. As I was getting on the bicycle

in front of Jackson's

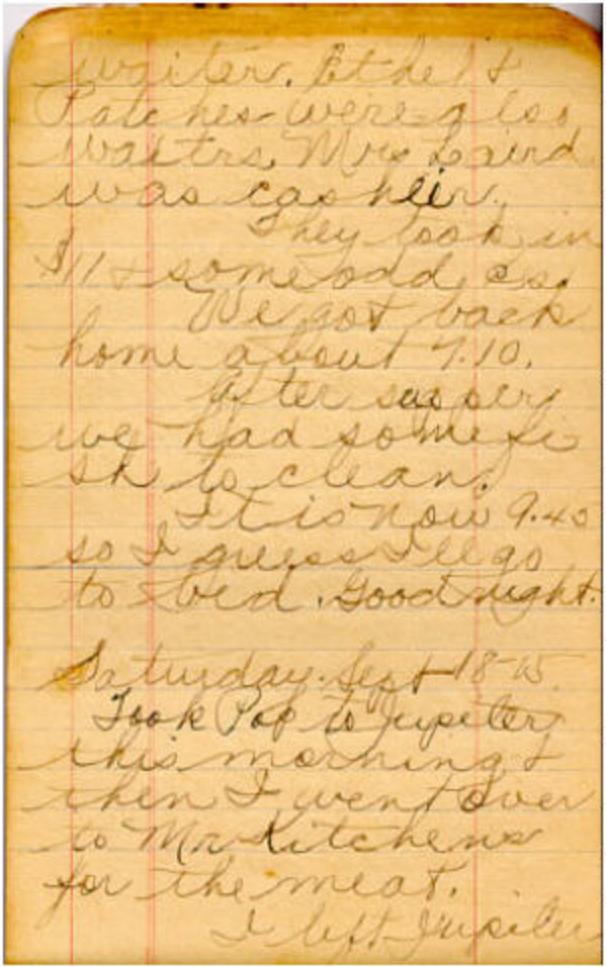


shop I got my pants
caught in
the sprocket &
it pulled me off
the peadle caught
me right in the
calf of my right
leg & I can't hardly
walk on it tonight.

Took Pop
down to the job
& the came back
for Mom & Ethel & took
them down to
the ice cream
social at Ziglers.

John DuBois
John Zig & I made
the cream.

I was also



Page 31

waiter. Ethel &
Patches were also
waitrs, Mrs. Laird
was casheir.

They took in
$11 & some odd ¢s.

We got back
home about 7.10.

After supper
we had some fish to clean.

It is now 9.45
so I guess I'll go
to bed. Goodnight.

Saturday. Sept 18-15

Took Pop to Jupiter
this morning &
then I went over
to Mr. Kitchen's
for the meat.

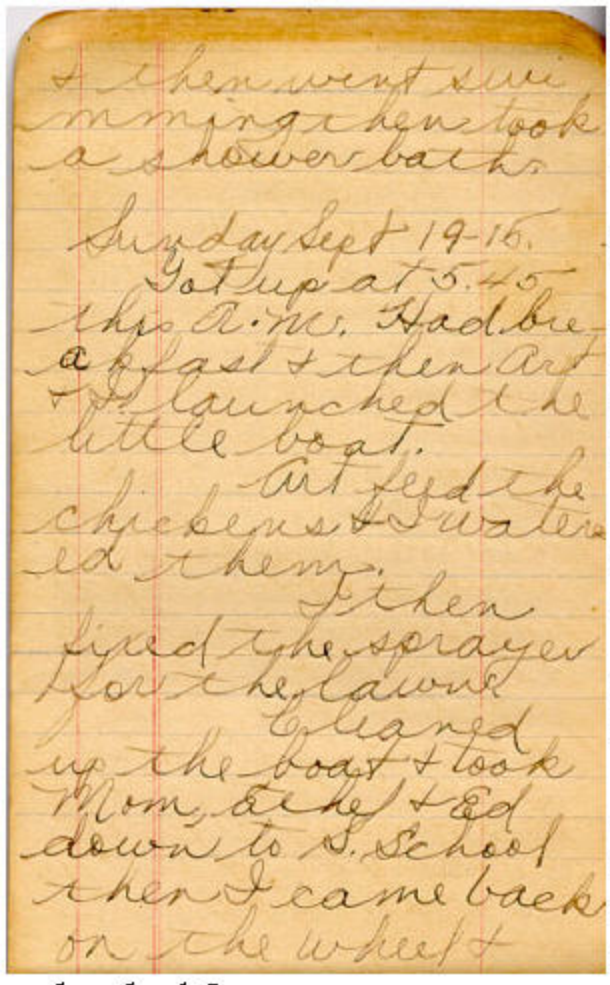
I left Jupiter

at 7.10. Stopped at
Pennock's for the
milk & also some
wire. also stopped
at Pat's.

Art & I put
the the tool shead
adjacent to the
barn.

Took Pop back
to Jupiter after dinner
got the hose & then
went over to Mr.
Liddies dredge to
see if Art could
come down Sunday
morn to have
his tooth fixed he
said ok.

Brought back
the ice & groceries



Page 33

& then went swimming then took a shower bath.

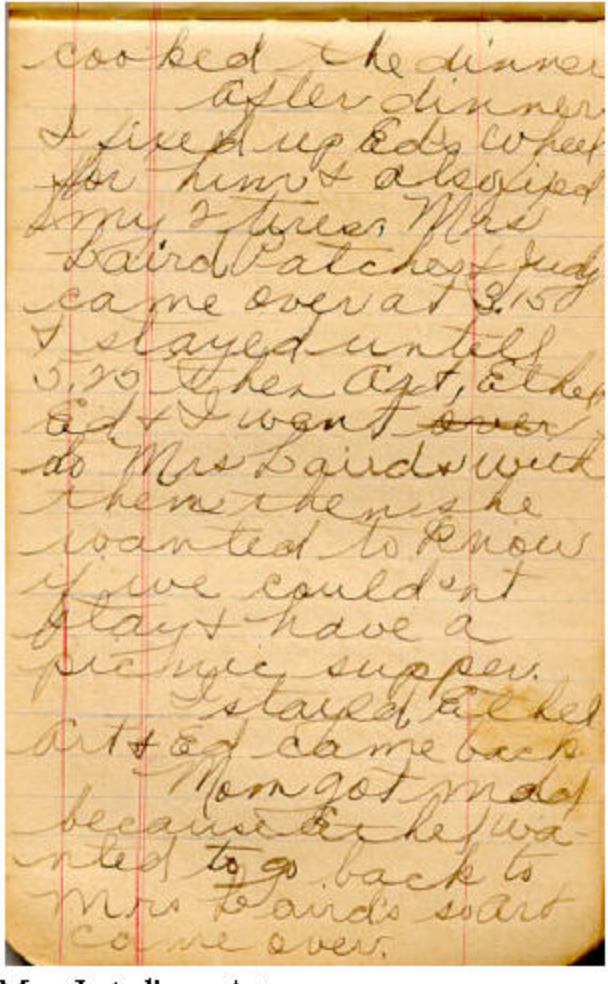
Sunday Sept 19-15.

Got up at 5.45 this a.m. Had breakfast & then Art & I launched the little boat.

Art feed the chickens & I watered them.

I then fixed the sprayer for the lawn.

Cleaned up the boat & took Mom, Ethel & Ed down to S. school then I came back on the wheel &



Page 34

cooked the dinner.

After dinner I fixed up Ed's wheel for him I also fixed my 2 tires. Mrs. Laird, Patches & Judy came over at 3.15 & stayed until 5.25 then Art, Ethel, Ed & I went ~~over~~ to Mrs. Laird's with them then she wanted to know if we couldn't stay & have a picnic supper.

I stayed. Ethel Art & Ed came back.

Mom got mad because Ethel wanted to go back to Mrs. Laird's so Art came over.

We got back home
9.15.

Monday Sept. 20-15
Got up at 4.50
this morning & got
on the job at 6.25
Came back at 10.30
Launched the
sea skiff before we
went back to work
Did not leave
the work untill
4.30.
Patches waved
to me this morn
ing & this afternoon
both.
Just as we were
leaving the dock
Shoff lins started
his boat & started

to race us he started to gain on us so I told Pop to hold the steering wheel while I speed her up. I held the exaust valve down then Shuffulin did not gain on us any more.

The propeller came loose just as we got in front of Tindalls so I had to stop the boat & tighten up on the screws.

Pats was making fun of me while we were broke down.

Tuesday Sept 21-1
Got to work at 6.30
this A.M.
Left for home
at 10.35.
I put some new
washers under the
exaust valve so that
it would go faster.
it uses take us 30
minutes to come
from Jupiter (new
dock) to home but
we made it in
25 coming home &
26 going back.
I went over to
Mr Ketchens & unpack
ed his candy for
him. I got 9 bottles
of soda & 10 ¢ candy.
as I was going

to Bowers I meet Patches Nellie & Shirley. & I asked Patches if she wanted to come up with us she said yes so I told her to go on up to the store & I'd meet her there.

I meet Pat at the store & we went down to the ~~hool~~ boat & put up our bundles, came back to the store. & while I got some reinforcements iron for the bed she sat on the lumber pile.

We left the job at 3.50 & stopped at

Pinnocks to put
Agatha, Judy & Shirley
Ill. I thought that
we were not going
to be able to go
to the beach as
we had planned
but it stopped rain
ning & by the time
we got down to
beach it had almost
all cleared away.
The water was
fine & I sure enjoy
ed my swim & I
know that the rest
did also.
We got home
again 8.45. Was bad
to E again tonight
Must stop it.

Wednesday Sept 22 15

Left home at 5.50 got on the job at 6.25.

Earl Shufflins John Zigler went away today to school.

All of the Shufflins were at the train to see them of Also Mrs Laird.

Patches waved at me going down this A.M. & comeing back tonight.

Mrs L was setting on the end of the dock when we were comeing home for dinner so I waved ~~at~~ to her & she returned it.

we got home at 4.00
tonight. No scratch
feed.
I certainely
am some sleepy so
I am going to
bed now. 8.45 P.M

Thursday, Sept 23-15.
Arose at 5.15.
Left for Jupiter
at 5.50 got to work
at 6.28.
Judge & I laid
some of the floor
force for the store.
Catches waved
~~for~~ to me this A.M.
I wrote a letter
to John also gave
him the list of
stuff for the boat.

also one to Murry & Freguitha for peces on stuff for the boat.

Art & I went over to Lairds tonight we had some cake & lemonade & also some music & singing I sure do enjoy my self when I go over there, we got back home at 10.30 P.M. I got to be at 10.45.

Friday Sept 3 [illegible]

I was never so surprised when I got down on the job & Jud came rushing in & said that Oleand Liddy had died

of a sudden during the night. I was sure sorry to hear of his death.

I wrote a card to Florence giveing them my sincere regrets & telling them that we (art & I) were not comeing down Sunday.

Mrs Laird came up with us from Jupiter this noontime.

Got my bicycle all put together to day at noon, put on new peadles & toe clips.

After supper I shut up the ducks & chickens & then

took the row boat
& went over to Lairds
I did not in-
tend to stay as long
as I did - but we got
to talking about the
play to be put on here
When I got back
Mom was awfully worr-
ied about me.
I sat in the
hammock with Pats,
Judy & Sweeny & then
Sweeny & I sat on
the dock for a while.
got home at 9 P.M

Saturday Sept 25-15
Patches waived
to me this a.m
going down to
work.

Jones! the
Mason on the
job got into a fight
with one of Carters
the Jones threw
a hatchet at Carters
Hay seperated
them.
Pop said at the
supper table that
he was not going do-
wn to the board of
trade, so art & I were
going to play hooky
& go see Patches but
Pop changed his
mind & went down
& after he got down
there there were no
meeting at all.
Patches waved
at me tonight

Sunday Sept 26-15
arrose at 5-45 this
A.M. When I woke up
Pop was standing
on the bridge hollow-
ing for Art to bring
the gun as there was
an Alligator right by
the bridge. Pop took
2 shots at the gaitor &
killed him.

I took the
folks down to S. School
Grode back on bicycle
stopped at Sweeney's for
a while.

Went down to
the beach Ed Ethel
Art, Judie, Patches
Mrs L&D, took the
gator down to show
Professor Roberts

but he had allready gone.

After we got to the beach we found J. Dubois Henry & Neal and a couple of others, so first we had our pictures taken, then Mrs L took my pictures by myself.

The surf was fine & I enjoyed my swim & I think the others did equal as well.

Got off at Pats & had supper, after supper Patches took the towel off of her head for me to dry her head & laid on the couch & Mrs L

gave her a balling out.

Monday Sept. 27-15

Did not leave home untill after 6 oclock this A.M. for the job.

The engine missed on the way down so I fixed it up at the dock. While I was fixing the engine one of the thems came down I said that pop wanted me to get the step ladder from the house, so I had to come back.

Patches waved this morning going down.

After dinner I was sitting on the tool chest

When somebody gave my hat a pull over my eyes I looking up whose should I behold but Mrs L.

She had came down with the intentions of findeing Shorty Root at the fish house but he was not there so she came up on the job & got Pop to let me take her up to Shorty.

The Gaitor was not spinned right for sleeping so Mrs L is going to have it cured

Tuesday Sept 28-15
Pat waived this
A.M & P.M.
Went over to
see Mrs. L & Pats had
an enjoyable time
had some lemon-
ade - crackers for
refreshments.
Did not get
home untill 10.30
last night.

Wednesday Sept 29-15
Got up at 5.10 stop-
ped at Pennocks
& got a drill bit.
It sure did help
out in drilling those
I beams.
John Brown
Cut Jessie Jones in

I fiddled with the shovel while we were at dinner, Poppa and Brown when he got back.

Had the toothache all afternoon must have got some candy in it this A.M.

Put a case of soda water on ice for Mr. Kitchen & drank 2 bottles.

My tooth still aches some but I hope it is better by morning so I can go over to Cato tomorrow night.

Thursday, Sept 30-15.
