

Town of Jupiter

Jupiter Community Development System (JCDS)

Register New User Overview

Town of Jupiter JCDS Account allows you to submit applications, upload plans, participate in the collaboration, pay fees, schedule inspections, etc.

It is recommended that everyone involved with the application and plan submittal register with the Town first. This will allow everyone to be able to communicate with each other in the review process.

1. Go to the Town of Jupiter Community Development System (JCDS), Click “Register” to complete the JCDS New User Registration.

You must have [Microsoft Silverlight](#) installed to use this portal.

Welcome to the Jupiter Community Development System

The Jupiter Community Development System (JCDS) is a new online resource for those who conduct business with the Town of Jupiter. Customers can anticipate using the JCDS for the following:

- Permit applications
- Business tax registrations and renewals
- Scheduling inspections and obtaining results
- Code complaint submissions
- Submitting plans for review and approval
- Pay fees by credit card or eCheck for the services above
- Collaborating with Town staff on pending business

Getting Started

If you're new to the Jupiter Community Development System, please create an account.

- Click the red "Create Account" button above
- Submit your information
- Account approval may take 2-4 business days
- Be on the lookout for a confirmation email to the email address you provided

If you're a returning JCDS customer, please click "Login" above to access your account.

For specific "how-to" guides please visit our [JCDS help page](#).

We thank you for your interest in the new Jupiter Community Development System and appreciate your patience as we strive to improve our services.
