

2020 Census Worksheet

Use this worksheet to prepare for filling out the 2020 census form for your household. The census form will ask for the following information:

The number of people living in the house, condo, apartment or mobile home: _____

This includes babies who live/sleep in the residence most of the time as well as people staying at the residence as of April 1 who don't have another place to live

Do not count people in the household who are currently living away from the residence as of April 1 (like at college, in the military, in a nursing home, in a correctional facility, etc.) even if they will eventually return to the residence.

Seasonal resident should complete the census form based on where they reside as of April 1.
