## Open Pickleball

Indoor Open Play Pickleball is back at the Jupiter Community Center. Participants must pre-register online and are limited to one time-slot. Reservations can be made up to 48 hours in advance. Walk-ins are not allowed. Spaces are limited to the first 24 pre-registered participants. Open Play Pickleball is extremely popular so players are asked to cancel their reservation at least 90 minutes in advance if they are no longer able to play. No refunds will be issued for late cancellations or no shows.

Participants should self-rate and know their skill level before attending Open Play. Players may be asked to play in a different session or change courts if their skill level is not an appropriate fit. For information on self-rating, visit Definition of Player Skill Ratings at the USA Pickleball Association website, <https://usapickleball.org/>.

Open Pickleball is meant for recreational purposes and to provide participants an opportunity to develop and have fun at all skill levels. Open Pickleball is not directly supervised by Recreation staff. Participants will be expected to follow general etiquette and paddle rotations for play and always show good sportsmanship. There is a ZERO tolerance for rudeness.
