VOL 33 NO 1 • JANUARY - MARCH 2026

## Note from the Parks and Recreation Director

I'm excited to share a preview of the park improvements and facility upgrades coming your way in 2026. Our team is committed to keeping Jupiter's parks safe, welcoming, and fun for everyone, and the Town has several great projects on the horizon.

### New & Improved Playgrounds

Four (4) of our neighborhood parks will be getting fresh, updated playgrounds in 2026. Playgrounds at Abacoa Community Park, the Jupiter Community Center, Daily Park and Heights of Jupiter Park will all be replaced with modern, colorful and inclusive play elements including safer surfacing, and multiple shaded equipment for families to enjoy. For more information, visit [jupiter.fl.us/Playground](http://jupiter.fl.us/Playground).

### Jupiter Community Park Athletic Fields Upgrades

The athletic fields at Jupiter Community Park will undergo important renovations to keep them in top shape for youth sports, adult leagues, and community events. Improvements include turf restoration, irrigation pump replacement, and infield upgrades to ensure a safer, more enjoyable playing experience.

### Upgrades at Town Beach Walkovers

The Town recognizes how much our community loves spending time at the beach. In 2026, several walkovers will receive:

- New showers
- Improved drainage
- Updated water fountains
- Convenient bottle-filling stations

These enhancements will help keep our beach access areas clean, functional, and enjoyable year-round.

Thank you for being such an active and supportive part of our parks and recreation community. We're looking forward to another great year of improvements, programs, and outdoor fun in Jupiter!

*Kristin George - Director of Parks and Recreation*
